REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: upon review of the applicant's argument's and the further inspection of the specification the examiner has withdrawn the 112 rejection because there is support for dehydration of the entire implant in paragraphs [0096] through [0100]. All of the art of record fails to disclose that a method of making an implant comprising the steps of providing a pair of bone anchors joined by a support filament, incubating the anchors in a matrix until a layer is formed around the filament, and dehydrating the implant in its entirety.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher D. Prone whose telephone number is (571) 272-6085. The examiner can normally be reached on Monday Through Fri 8:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott can be reached on (571) 272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
